1. General

The information provided on mandateengineering.com (the "Site") by Mandate Engineering (Pvt) Ltd ("we", "us") is provided for general information purposes only.

While we make every effort to keep the information on the Site accurate and up to date, we make no representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability, suitability or availability of the Site or the information, products, services or related graphics contained on it for any purpose.

2. No Professional or Engineering Advice

The content of the Site does not constitute professional, engineering or technical advice. Equipment selection, design and specification depend on the specific conditions of each application. You must obtain specific advice from our engineering team before relying on any information on the Site for any decision.

3. Limitation of Liability

In no event shall Mandate Engineering be liable for any loss or damage, including without limitation, indirect or consequential loss or damage, or any loss or damage whatsoever arising from loss of data or profits, arising out of or in connection with the use of the Site or reliance on any information provided on it.

4. External Links Disclaimer

The Site may contain links to other websites which are not under our control. We have no control over the nature, content and availability of those sites. The inclusion of any links does not necessarily imply a recommendation or endorse the views expressed within them.

5. Trademarks

Product names, logos and brands mentioned on the Site (including those of third parties such as manufacturers of equipment we service or repair) are the property of their respective owners. Reference to them does not imply affiliation with, or endorsement by, those owners.

6. Availability

We take reasonable steps to keep the Site available, but we do not guarantee that the Site will be uninterrupted or error-free. We may suspend or withdraw access to the Site at any time without notice.
